

Our Private Room

La Carreta has hosted a variety of events for parties as large as one hundred. We can seat a maximum of sixty guests for table service where all food and drink is served from the main restaurant, but we specialize in cocktail parties for birthdays, couples showers, Christmas parties, recruiting events, and wedding rehearsals. Parties of up to twenty five may order from our regular menu. For larger parties we must employ a set menu for either a seated dinner or a cocktail or buffet. All seated dinners are table service. All cocktail parties are reception style. The room is to the right of the main lobby and features its own independent sound system. There is a flat panel projection screen with computer and music hookup capability for use during your event.

BOOKING THE ROOM

Our Private Room is available Monday through Sunday. It is a special event room and books only one party per evening. It is a good idea to book well in advance for special dates. We like to have the menu set one week prior to the event. **We do not charge a room rental fee, however we do require a \$250 Non-refundable deposit to hold your reservations. The \$250 deposit will be applied towards your total party cost.** For additional information or to book an event, please contact:

THE BAR

For cocktail parties we can set up a small private bar in the room that features the most popular drink choices and we provide cocktail service from the main bar so everything in the restaurant is available to all of our guests. Many hosts choose to limit the bar in some fashion such as offering beer and wine only or setting a dollar limit on the bar tab. Below is our list of options for a bar set up—we can certainly substitute for other liquors if desired.
